Tree of Life

The Tree of Life is a permanent fixture at the Helen H. Hahn House, mounted where visitors can appreciate its purpose. The mahogany finish trunk is topped by 423 brass leaves (3.4" x 1.9") inscribed with special messages, serving as a touching reminder for friends and family and providing ongoing support to those dealing with terminal illnesses.

A Lasting Tribute

The Tree of Life

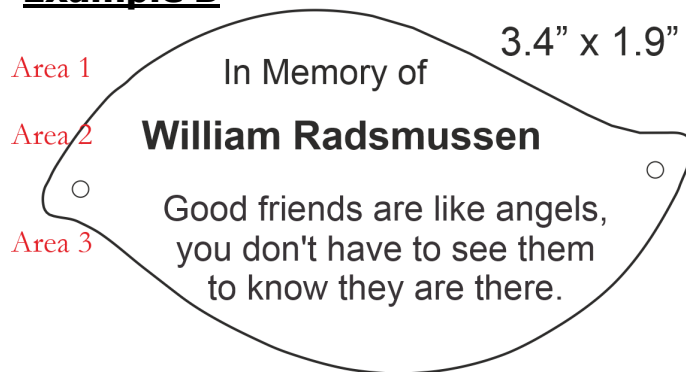

Choosing to remember or honor someone special provides a lasting tribute – not only to the memory of that loved one, but as a continuing gift for others you may not even know. The Tree of Life is such a tribute, dedicated to those who wish to remember or honor others by their caring and generous gifts – gifts that help us fulfill our mission of providing exceptional care and support to West Alabama residents who are touched by end-of-life issues.
